

CARRI CHANDLER

Reception

Carri began working at City Title and Closing LLC in 2014. Her open and warm personality gives her the perfect attitude for helping both new and existing clients. Carri delights in volunteering and community involvement.

The most rewarding part of Carrie's work is, "learning to be a part of a team that cares so much about making the experience of buying a home a pleasant one."

In addition to her two children, Carri adores spending time with her three lovable grandchildren. You'll often find Carri getting lost in a book or absorbed in a good movie. One of her most passionate past-times is cheering on the Hogs.
