

JIMMY PLUMLEE

Co-Owner

Jimmy Plumlee (cell phone: 479-957-4807) is a 30+ year professional in the title and closing industry. He entered the title and abstract business in 1972 and has spent his career in the field. He also spent two years performing closings with a savings and loan and spent three years doing oil and gas searches in Arkansas for oil and gas companies based in Texas and Oklahoma.

Jimmy enjoys working with clients to help them achieve what is considered a major part of the American Dream: owning a home.

"After 30 years, the joy of being a part of such a process and seeing the excitement on families' faces never gets old," he says. "It just gets better and better."

Jimmy is a graduate of Springdale High School. He is an Arkansas licensed title insurance agent and an Arkansas licensed abstracter. Being involved in professional organizations is important for Jimmy, who belongs to ARLTA, the Metro Board of Realtors, the Mortgage Bankers Association and the Northwest Arkansas Home Builders Association.

Jimmy has two grown children and one granddaughter. When not working, he enjoys spending time with friends, family and his dogs, as well as entertaining or having quality alone time while reading a good book.
