

## MEGAN SELIGA

---

### Closing Coordinator

---

Megan started her career at City Title & Closing LLC in 2015 as Closing Coordinator. She has since become a cherished team member, always cheerfully handling stressful situations while providing a high level of customer service.

Megan values her education and holds an associate of applied science degree in accounting. When asked about her job, Megan makes it clear that it is “the people” that make it rewarding. She enjoys her team of co-workers and the amazing clients she gets to work on a daily basis.

Outside of work, Megan loves to support community causes by running in 5 and 10k races. She also adores traveling. She will take any possible opportunity to spend time at the beach.
